### **PRINCIPAL MESSAGE:**

- It is hard to believe that we have reached the end of another school year. I'd like to take a quick moment to say THANK YOU to our families, students and staff for helping to make it another successful year! Enjoy your summer, relax, but keep an academic focus in your household as well. Read together, discover math, spend time in your community (and talk about it) and find ways to give to others! I'm already looking forward to next school year and all of the amazing things that we will accomplish!
- Thank you to our students and families for your support of our recent COIN DRIVE to support the Giving Tree's Back to School Event. Students used coins to vote for the game that they played with me at Field Day. Unfortunately for me, they chose to turn me into a human fidget spinner. I think I'm still dizzy from spinning with 16 different classes on Field Day!!!
- Thanks to all of our parent volunteers at Field Day! It was an awesome day with awesome weather. These events are able to happen because of your support! Thanks for being there! AND thank you to Matt and Kristin Collar for organizing a fun day for our students!
- Suamico Elementary received its shipment of new furniture for the library! This past spring, the Suamico PTO approved \$18,000 to spend on new furniture. We ordered new tables and chairs...all on wheels for easy movement and transition of the space. Our students are already LOVING this new furniture! Thanks to the Suamico PTO and to all of our families for supporting our school!
- In early August, you will receive class placements for next year. You will also receive information to sign up to have your child come in mid-August to read with his/her teacher so that we can get a reading level and start reading instruction right away at the beginning of the school year. Please sign up for a spot...and call the office if you need help.
- Finally, we bid farewell to a few staff members. Congratulations to Ann Werlein, 2nd grade teacher, and Janet Hughes, Literacy Coach, on their retirements. Sara Laughrin, guidance counselor, will be moving to Meadowbrook Elementary next year. Kim Farrell, secretary, is leaving for other opportunities. I wish them all well in their transitions and thank them for being a part of our school's success over the past several years!

Have a great SUMMER!
