NOVEMBER- SUAMICO LITERACY NEWS:

Our goal at Suamico Elementary is to grow

lifelong readers who love to read. Sharing books together as a nightly routine has so many benefits. Books **ignite curiosity, encourage creativity, grow vocabulary**, and open conversations that **improve language and learning**.

Keeping a focus on the enjoyment of books when you read aloud or together, as well as having your child read the books that are sent home nightly, is a great way to ensure that your child is successful in school and beyond.

Happy Reading!

P.S. Please remember to donate any extra of your used children's books to our Free Little Library. There is a box in the front entry by the office. THANK YOU!

Meet our Literacy Staff at Suamico:

JERSEY MIKE'S FUNDRAISER:

During the week of Monday November 5 through Saturday November 10, you can get a FREE SUB at Jersey Mike's located at 2476 South Oneida Street!

When you go to get your sub, you will be asked to turn in a card make a \$3 per sub donation. Then, Jersey Mike's will donate all \$3 for each sub back to Suamico Elementary! Why is this a great promotion?

- Jersey Mike's is owned by two Suamico Elementary families! They understand the importance of being connected to our school!
- The promotion will take place during the week of parent/teacher conferences and could make your family's dinner needs easier!
- There's no limit to the number of cards that you can use! [CLICK HERE](#) to sign up for the number of cards that you'd like. We'll fill the order at school and send the cards home with your child. Your \$3 per sub donation will be collected at Jersey Mike's when you go there.
- The profits from the \$3 per sub donation will help Suamico Elementary continue to transform its library space into a 21st century makerspace where students can dream, discover and demonstrate.

Thanks in advance for participating and for your support!

Hello Suamico Parents/Guardians,

Suamico Elementary is moving forward with the district's goal of becoming a Trauma Sensitive School District and is undergoing training, which was initially brought to our district by SaintA's out of Milwaukee last school year. The elementary counseling team has

created a newsletter to compliment healthy child brain development. Please take time to read this newsletter and as always, please contact the counseling department with any questions or concerns you may have.

NOVEMBER 2018 - FROM YOUR SCHOOL BOARD:

Budget Season

During our annual meeting last month, community members received a detailed review of the school district's 2018-19 budget and at the October 22, 2018 School Board Meeting, the Board of Education approved a levy of \$26,570,826, which supports a district budget of \$89,505,581 – an increase of 3.18% from the previous year. This levy will result in the school's portion of our property taxes remaining stable at \$9.19.

In addition, the Board shared with community members the proposed purchase of 10 acres of land directly in front of BayPort High School. After significant consultation with leaders in real estate, the community and local businesses, the district formed a plan to move forward with an offer.

The source of funds for the purchase will come from two sources:

- \$389,000 from the sale of surplus land
- Approximately \$1.5 million from an assigned district account of which the funds are specifically designated only for capital projects/purchases.

This acquisition represents the beginning of a long-term process in which the district is developing a "best-use" plan on leveraging this resource for future students. We hope the 2018-19 budget and this land purchase demonstrate to our community and students that we value their education today and well into the future. If you have any questions for the Board of Education, please reach out to your Board member, Rachelle Paulsen.
