Principal's Report-Ryan Welnetz

-Holiday Concert-Principal Welnetz had a few questions if future concerts can be recorded for those who cannot attend or would like to view it again. The conversation was brought to the table if this option would be worth investigating. There was discussion to have the concerts recorded and sell copies of the concert for a fee versus live streaming concerts. Mr. Welnetz stated that he will ask other schools if they are doing any kind of live streaming or recording of the concerts.

-Sweetheart Auction-An important part of the PTO. Every year it is important to improve our processes to ensure success year after year.

Vice President's Report - Ashley Balck

-The teachers and students are continuing to work on their art projects in preparation for the upcoming Sweetheart Auction.

-December celebrations-Great feedback from the teachers and students. There has been some ideas of possibly changing up the times for the different celebrations throughout the year.
